

**[PhotoBox](#) launches its *A4 Pro Lay Flat* –  
the Photo Book, with a professional look**

The [A4 Pro Lay Flat](#) is the perfect book to capture cinematic prints for photography lovers, enthusiasts and professionals alike. This book is fantastic to create a high quality and bespoke display, bursting with high resolution photos. Being A4 in size and filled with glossy premium paper, it is designed to deliver enhanced reproduction of colours to bring photos to life in high definition.

The unique gloss coating offers extra protection against fingertips to avoid damages when flicking through. Don't worry about anything falling apart; the premium book is made with a strong hardback cover and a box for ultimate protection.

**-Notes to editor-**

The [A4 Pro Lay Flat](#) is available to purchase on [PhotoBox](#)- prices start from £45.00, then £1.49 per additional page.

For more information, photography or samples, please contact the PhotoBox press office at Golin on [PhotoBox@Golin.com](mailto:PhotoBox@Golin.com) or call Lottie Longford on (0)207 067 0689/Toyin Peters on (0)207 067 0685.

**About PhotoBox**

[PhotoBox](#) is a print company with a twist – it's personal. We take your photographs and print them onto books, framed prints and canvases from small to large (just to name a few). We're in 19 countries across Europe, for more than 30 million people. Which means that wherever you go, you'll probably bump into somebody who knows about us.
