

Make a difference this Mother's Day with personalised presents!

PhotoBox supports Breast Cancer Care's campaign *Buy It With Love*

Looking for the best Mother's Day gift and feeling a little bit lost? Remember that nothing says "thank you" better than giving your Mum some of your time. Or a gift that you've taken the time to make yourself.

To make your gift mean so much more, personalised photo gifting service PhotoBox has joined Breast Cancer Care's *Buy It With Love* campaign. For every personalised gift purchased from the *Buy It With Love* collection, PhotoBox will donate £1 to the charity, to help over 691,000 women in the UK who are living with a breast cancer diagnosis.

The Book of Mum - [The A4 Mum Book](#)

There's nobody quite like Mum and you've got the photos to prove it. She's always been there, holding your hand, baking the yummiest birthday cakes and cheering for you (a little too loudly) at every sports competition. Reward her for all the stories she's ever told you by capturing the ultimate story: your life together in a photo book. The front cover also displays a MUM cut-out revealing pics beneath, so she'll know it was made just for her.

From £27.99
Last order date: 25th February

Big smiles on display - [Retro Canvas](#)

How about scanning in some of those buried old photos of you together, mum with a frizzy perm or shoulder pads and you holding her hand with 'that' outfit on. Smile and reminisce together with classic retro photos on a retro-style canvas.

From £20 (available in 3 sizes)
Last order date: 1st March

A gift she'll wrap her arms around - [Photo Cushion](#)

There's nothing better than having a good old chin-wag on the sofa with Mum. After all the running around that she's done for you over the years, let her get comfy and put her feet up with a photo cushion that shows some of the great moments that you've spent together.

From £30 (available in 3 sizes)
Last order date: 26th February

A mug to brighten up the mornings - [Photo Love Mug](#)

They say there's nothing a cup of tea can't fix and the truth is, catching up with your Mum over a cuppa is an instant mood booster. Give her a call this Mother's Day and ask her to put the kettle on. Whether she takes her tea with sugar or just milk, her mornings are about to get much sweeter when she opens your gift: a set of two heart-handled mugs personalised with photos of your best times together.

From £10

Last order date: 2nd March

A thoughtful desk decoration - [Photo Block](#)

There's a collection of portraits on every mother's desk and yours is no exception: from your first Christmas outfit through to graduation and all the times you've made her proud. Since she's spent so much of her life behind the camera, snapping your proudest moments, it's time to show her the big picture of your gratitude. Print the most recent photo you took together on a modern photo block that will find its place nicely on her desk.

From £11.99 (available in 4 sizes)

Last order date: 4th March

A case of photo love - [Personalised iPhone Case](#)

Your Mum's camera roll is an endless source of grandchildren snaps and funny selfies. To thank her for always documenting the family life on camera and help keep her phone safe from scratches, print this year's most hilarious photos on this shatterproof iPhone case. She'll love flashing her personalised phone even more!

From £14

Last order date: 2nd March

From creative canvases to comfy cushions and heart shaped mugs, you're spoiled for choice of gifts to personalise this Mother's Day.

About Breast Cancer Care

When you have breast cancer, everything changes.

Time becomes measured in appointments.

The next scan. The next results. The next challenge.

At Breast Cancer Care, we understand the emotions, challenges and decisions you face every day. So, from the day you notice something's not right to the day you begin to move forward, we'll be here to help you through.

Whether you want to speak to our nurses, download our specialist information or connect with volunteers who have faced what you are facing now, we can help you feel more in control.

For care, support and information from day one, call our nurses free on 0808 800 6000 or visit breastcancer.org.uk
